

IMPORTANT REQUEST

Enlisted Association of the National Guard of the United States (EANGUS)

Dear Prefix/Rank, Last Name,

Work has begun on your 2009 EANGUS Membership Directory, an invaluable tool in this world where building and maintaining a strong personal network has become essential.

Right now, an EANGUS member could be trying to reach you with the job offer of a lifetime, or a former member might wish to drop you an e-mail. The friend you've been thinking about, but never quite had the time to locate, could be within reach if your contact information were up to date in our records. So please take one minute to complete your one page profile now by **clicking here**.

You can also access your profile by going to URL www.memberconnections.com/mylisting. Once the questionnaire page is displayed, use your ID number **IKP9999999** and password **XXX123** to access your profile. This username and password will only grant you access to the URL above and not access to the Harris Connect Online Community.

This important directory will contain complete listings of all members from EANGUS, including e-mail addresses, professional and personal information, to help meet your networking needs. My goal is to make this all-new membership publication the most comprehensive reference available. As a result, biographical information will be included for all members.

Thank you for taking this moment to ensure that we have your most current information. By taking this opportunity to confirm the accuracy of the information for this directory, you will be able to stay close to members who continue to make a difference in your life.

Respectfully,

CSM A. Frank Lever III, USA (Ret)
President

P.S. Harris Connect, Inc., a trusted partner of the Enlisted Association of the National Guard of the United States (EANGUS), has been chosen to produce our membership directory.
