There is information in this issue of *The Signal* on the upcoming EANGUS/Auxiliary Conference in Charleston, West Virginia. The Marriott Hotel is the host hotel and the Civic Center will accommodate the EANGUS/Auxiliary Meetings.

## CALL TO CONFERENCE

*You are cordially invited to the  
38<sup>th</sup> Annual EANGUS Auxiliary Conference*

*Charleston, West Virginia  
August 14-17, 2011*

If you have any questions after reading through the schedule, please feel free to contact Sheila Bandy, our EANGUS Auxiliary Conference Coordinator or me. Ute Vance is working as the West Virginia Auxiliary Conference Coordinator. Ute, Sheila, and I have been in constant communication as well with the EANGUS Team as we finalize the plans for the conference.

South Carolina Auxiliary has offered to run our Silent Auction this year. Be sure to bring items from your states.

I attended the EANGUS Area I Caucus on June 25<sup>th</sup> in Northampton, Massachusetts. Area I paid my hotel expenses. I want to thank Claude Imagna, Area I chair for the invitation and support for the Auxiliary. We signed up 4 new Annual members and 11 new Associate members. 2 States are ready to recharter. Massachusetts president, Trish Kittredge was a gracious host, providing my transportation on Friday. Trish and her husband, Perry provided a wonderful dinner at their home on Saturday. Area I is determined to get every state with an active Auxiliary this year. Continue to keep your focus on increasing memberships. In a few months, each state will be submitting their 2012 memberships.

Be sure your state has a voice in all of the issues coming at us.

Continue to work on our Legislative Issues as you increase memberships. Tell our story everywhere you go. Do what we do best and continue to remember we are all working for the same things. As a team we can make anything happen.

As we celebrate the 4<sup>th</sup> of July may we always remember our freedom and never take it for granted. Fly your American Flags proudly year round.

God Bless you and your families,  
Jenny Lainhart, EANGUS Auxiliary President

## LEGISLATIVE NEWS

Barbara E. Rains  
EANGUS Auxiliary Legislative Chairperson  
[jrains3@tampabay.rr.com](mailto:jrains3@tampabay.rr.com)

During the Area III Caucus held in May, I was surprised when our Area Directors announced the Auxiliary did not have a Legislative Chairperson. At the conclusion of my legislative report, I asked them what was the main purpose of the Auxiliary. Their reply was legislation. After discussing the issue, they asked if I would volunteer to be the Legislative Chairperson. Before the end of the Caucus, I told them I would be glad to do it. Thank you Area III for having the confidence in me to take this position. Starr Boatwright (AL) also volunteered to be the Legislative Area III POC.

My focus is to increase the awareness of how important it is for the Auxiliary to be more involved in legislative issues and to have a much larger participation. Without our support and the efforts of EANGUS, our servicemen and women and their families would not be receiving the benefits they now have. Backsliding is not good for either organization. Involvement is extremely important. Next year let's have each chartered state show legislative activity on the Auxiliary's Final Legislative Report.

Currently we are seeking volunteers to be Area POCs. Areas II, V and VI are still vacant for the 2011-2012 term. If interested, contact me at [jrains3@tampabay.rr.com](mailto:jrains3@tampabay.rr.com), or President Jenny Lainhart at [jllainhart@yahoo.com](mailto:jllainhart@yahoo.com). The following Area POC positions have been filled:

Area III – Starr Boatwright (AL), [ssboat295@comcast.net](mailto:ssboat295@comcast.net)

Area IV – Karen Solots (MS), [hurricanes4me@cableone.net](mailto:hurricanes4me@cableone.net)

Area VII – Dorothy Inglese(CA), [dorothyinglese61@gmal.com](mailto:dorothyinglese61@gmal.com)

The main purpose of an Area POC is to obtain legislative activity from the states in your area. Each state president or State Legislative Chair reports to their Area POC how many legislative contacts were made. The Area POC then forwards this information on an Area POC Report to the EANGUS Auxiliary Chairperson.

A Legislative Committee meeting will be held during the annual national conference. Tentatively it is scheduled for Monday, August 15<sup>th</sup> at 9:00 am (time to be confirmed). All Area POCs should attend and other members are encouraged to come.

Remember, together we can make a difference. We need to regain our focus and purpose which is legislation. **SIDE BY SIDE WE STAND WITH PRIDE.**

### 2012 NATIONAL DEFENSE AUTHORIZATION ACT

On May 26, the House of Representatives passed the Fiscal Year 2012 National Defense Authorization Act (FY12 NDAA), H.R. 1540. Keep in mind, the Senate is also working on their version of the FY-12 NDAA, S.981, which will go through its own changes before final passage on the Senate floor. Differences between the House and Senate bills will be worked out in conference, with a unified single bill considered by both chambers in the fall. Here are the Guard numbers as well as pertinent amendments from H.R.1540:

- |   |                                |
|---|--------------------------------|
| - ARNG End Strength - 358,200   | ANG End Strength - 106,700     |
| - ARNG O&M - \$7.04 Billion   | ANG O&M - \$6.13 Billion       |
| - ARNG MilCon - \$823 Million   | ANG MilCon - \$133 Million     |
| - ARNG OCO-O&M - \$387 Million  | ANG OCO-O&M - \$133 Million    |
| - NGREA - \$325 Million   | 1.6 % increase in military pay |
| - Embedded Mental Health Providers for scheduled training               |                                |
| - Position of the Vice-Chief of the NGB brought back at three-star rank |                                |

Amendment 7 - "Would designate the Chief of the National Guard Bureau as a member of the Joint Chiefs of Staff."

Amendment 14 - "Would strike and replaces section 591 of the bill, which makes it more difficult for Guard and Reserve components to engage in military training missions that also provide assistance to local communities. Would increase to \$20 million the amount that can be obligated for civil-military training operations

Amendment 16 - "Would authorize the Secretary of Defense to extend Central Command R&R benefits to forces assigned to the Egypt Multi-National Force and Observers Mission."

Amendment 39 - "Would add a Sense of Congress indicating that the deployment of National Guard personnel along the southwestern border should continue through the end of fiscal year."

Amendment 151 - "Would require DOD to submit a report to Congress outlining a plan that would ensure access to the Guard and Reserves for missions short of war, as recommended by the Quadrennial Defense Review directed Comprehensive Review of the Guard and Reserve."

For additional information please see NBG's links on H.R.1540 as reported out of committee.

### CONCURRENT RECEIPT OF RETIREMENT PAY & DISABILITY COMPENSATION

**Background:** Congress needs to fully eliminate the law that makes most disabled uniformed service retirees forfeit part or all of their military retired pay in order to receive their VA disability compensation. Presently some disabled veterans are forced to give up all or part of their hard earned retire pay to offset their VA disability compensation. It is only just and fair that any veteran who earns their retirement pension and is disabled while serving their country can concurrently receive their full pension plus the entire disability compensation from the Department of Veterans Affairs.

The first successful effort, to win limited concurrent receipt, took place in 2003. Congress passed legislation that ended the disability offset for some categories of veteran, which was based upon years of service, level of disability, and combat vs. non-combat service connected injuries. Thus approximately 304,000 disabled retirees, or 33% of the total disabled retired population, have won their benefits concurrently. This leaves out more than 623,000 veterans who are still being forced to give up an amount of their retiree pay equal to their disability compensation.

There are three pieces of legislation that seek to close all or part of this gap. Congressman Joe Wilson (R-SC) has introduced **H.R. 186** which would expand the eligibility for concurrent receipt of military retired pay and veterans' disability compensation to include all members of the uniformed services who are retired under chapter 61. Congressman Gus Bilirakis has reintroduce **H.R. 303** that expands concurrent receipt for all length of service retirees regardless of disability rating and Congressman Sanford Bishop (D-GA) has introduced **H.R. 333**, the Disabled Veterans Tax Termination Act, which combines the elements of both bills and corrects a CRSC computation glitch.

#### Recommendation:

The Enlisted Association of the National Guard of the United States supports these legislative efforts to eliminate the disability offset and requests members of the both House and Senate to either cosponsor or vote in favor of any or all of these three bills.

## UPDATED POINT PAPERS – June 2011

### EMBEDDED MENTAL HEALTH PROVIDERS FOR RESERVES ACT HR 948/S 325

#### Background:

While active duty personnel have access to mental health care clinics on base, the same cannot be said of Guardsmen and Reservists when they return home stateside. **Sadly, the suicide rate within just the Army National Guard has almost doubled in the past year, with 62 suicides in 2009 and 113 suicides in 2010.**

Soldiers returning from deployments all too often suffer from Post-Traumatic Stress Disorder (PTSD), but they may not recognize the symptoms themselves or may not have access to military or veterans mental healthcare in their hometowns or within a reasonable commuting distance. As our members reintegrate into their civilian communities, many show no signs of physical injury but suffer from the psychological effects of traumatic stress requiring treatment. In 2006, the California National Guard led the way with a pilot program that embeds mental health providers in Guard units. Since then other states have established similar programs, but there is a need to permanently create and fund a nationwide program.

Seeing the need to expand upon these pilot programs, Senator Patty Murray (WA-D) and Senator Claire McCaskill have introduced S.325, while Congressman Dave Loebsack has dropped H.R. 948, the Embedded Mental Health Providers for Reserves Act of 2011. This legislation directs the Department of Defense to provide each reserve member performing inactive-duty training during scheduled unit training assemblies access to mental health assessments with a licensed mental health professional, who shall be available for referrals during duty hours at the principal duty location of the member's unit. The bill also requires all mental health services provided to be subject to and comply with applicable federal privacy and security rules. S.325 and H.R. 948 will ensure stigma free and convenient access to mental health care professionals at unit armories during duty hours with full confidentiality. Legislative language, similar to H.R.948, has been attached to the House version of the FY-12 National Defense Authorization Act, H.R. 1540.

The national program would be based on the California pilot program, which has 27 licensed mental health care professionals embedded with 42 different units. The program costs about \$820,000 a year. Data from the program suggests that easily available, early intervention can help stem the need for more serious treatment in the long run.

#### Recommendation:

The Enlisted Association of the National Guard of the United States respectfully requests the House and Senate enact the Embedded Mental Health Providers for Reserves Act of 2011 as either a standalone bill or include its legislative language in an appropriate vehicle such as the Fiscal Year 2012 National Defense Authorization Act.

### VETERAN STATUS FOR TITLE 32 GUARDSMEN HR1025/S491

#### Background:

It may come as surprise to most that a Guardsman, who serves twenty years in uniform, is not automatically considered a veteran. Currently, if members of the National Guard and Reserve have not served a qualifying period of active duty service, they are not considered to be veterans under Federal law. Just one of the requirements, barring many Title 32 Guardsmen from being recognized as veterans, is that they did not serve at least 180 continuous days on federal status.

Congressman Tim Walz and Senator Mark Pryor have introduced their respective bills, H.R. 1025 and S. 491, the Honor America's Guard-Reserve Retirees Act of 2011. At the end of the 111<sup>th</sup> Congress, the House of Representatives unanimously passed H.R. 3787. Sponsored by Congressman Walz, H.R. 3787 would have amended Title 38, United States Code, to recognize the service in the reserve components of certain persons by honoring them with status as veterans under law. The new bills, S.491 and H.R. 1025, seeks to accomplish the goals of previous bill and would extend honorary veteran status to National Guard and Reserve members who qualify for retirement after 20 years, but were never activated long enough to meet current statutory requirements in order to attain veteran status.

The National Guard and Reserve perform an invaluable role and are an important component of our overall force structure. They support the active duty component by responding in times of national emergency, stand ready to be called to active duty service and to deploy to overseas missions in times of need. During consideration of H.R. 3787, the House Veterans Affairs Committee declared that, "...steadfast service of 20 years in the National Guard and Reserve, even absent qualifying Federal service, deserves recognition of the service and sacrifice of these men and women. This legislation is intended to recognize that, like their counterparts in the active duty component, Guard and Reserve members volunteered to serve their country and were available for activation at any time. The Committee believes that providing honorary recognition to these individuals is appropriate." Additionally and most importantly, the Congressional Budget Office ruled that the bill would have no budgetary impact.

#### Recommendation:

The Enlisted Association of the National Guard of the United States applauds Senator Pryor's and Congressman Walz's dedication to recognizing Title 32 soldiers and airmen as veterans after twenty years of service, and asks that each member of the House and Senate cosponsor either H.R. 1025 or S. 491 plus vote in favor of the legislation once it is considered by each chamber.
